I am looking to develop my clinical skills and establish mentorship within the Bay Area's behavioral health community. I'm particularly interested in working with trauma, using somatic and mindfulness-based approaches, and working with complex family or relationship dynamics. My focus is on adult clients, particularly veterans and gender-nonconforming individuals, but I'm eager to offer the benefits of therapy to all populations.

## PROFESSIONAL EXPERIENCE

### MSW STUDENT INTERN

Bonita House: Community Assessment & Transport Team (CATT), *Oakland, CA*  
August 2020 - August 2021

CATT is a crisis response team dispatched by 911 to address the high levels of 5150 calls in Alameda County. I engaged in coalition-building with local providers to build capacity for alternate dispositions, created policies for QA, and developed measures and tools to capture relevant metrics. I also followed up with our consumers and conducted focus groups.

### YOGA & MEDITATION INSTRUCTOR

Malcolm Yoga, *San Francisco, CA*  
November 2018 - Present

I am the sole proprietor and sole employee of my yoga business. I teach group and private yoga, sell prerecorded content, and offer corporate packages. I enjoy developing new courses, like my most recent, 'There and Back Again: Returning to the New Normal'.

### PAST PRESIDENT OF THE BOARD

Young Performers Theatre, *San Francisco, CA*  
December 2016 - present

I secure ongoing funding through grant writing, capital campaigns, and our annual fund to continue providing no-cost theatre education to children ages 3-18. As President, I partnered with the Mimi and Peter Haas fund to expand our Theatre in Education program, which sends early-education theatre specialists into preschools to use drama as a therapeutic tool. As Past President, I conduct board education and ease transition.
